

## Adding fixtures to your smart phone calendar

- Step 1. Select you're child/s age group on the previous page under the 'fixture' column.
- Step 2. Select the 'sync to calendar' button.
- Step 2. Select whichever calendar you prefer to use, if it's the generic iphone calendar, select 'apple'.

## Adding fixtures / Ladder shortcut to your smart phone homepage

- Step 1. Open forestrangerssc.com/fixturesresult on your smartphone web browser e.g, safari.
- Step 2. Select the middle button at the bottom of the page.
- Step 2. Next, select the 'Add to Homepage' button.
